NANO METITIERE

RESUME

Born in Buenos Aires (Argentina), Nano began his studies in 2012 at the "First Da Vinci Multimedia School" in "Multimedia Design". After two years of studies, he travels to Ecuador to specialize in "Web Design" where he acquired advanced knowledge in **HTML 5** and **CSS 3**.

He worked as **Web Designer** in **Latinmanagers** (Ecuador) and was the editor of the **RACEI** (Argentine Network of International Studies Centers) and **TIP** (Research in Paradiplomacy) of Argentina. Then in 2016 he started as **Web Programmer** in **Lop Multimedia** (Argentina) where he perfected in **E-Commerce** working with recognized Brands. He also worked as a **3D Designer** at **DEVA** (ASSOCIATION OF ELECTRONIC SPORTS AND VIDEO GAMES OF ARGENTINA) and specializes in **3D Character Design**. He currently works in **Technisys** as **UI / UX Developer** where he perfected in **UX Design** and layout in React JS for Digital banking applications.
